

WEB PUBLICATION RELEASE

Permission is hereby given to General Atomics and the Program Committee of the 21st US Transport Task Force Workshop held in Boulder, Colorado, March 25-28, 2008, to publish my presentation on the conference website, <http://fusion.gat.com/conferences/ttf08>.

I understand that the conference website is available to the general public and, with my signature, agree to the release of all information contained in my presentation entitled:

I do not hold General Atomics or the Program Committee responsible for the accuracy of the content of my presentation.
